

IRONCOVE
SOLUTIONS

DROPBOX

WHAT'S INSIDE

- 1 Why We Love Dropbox
- 2 Service Packages
- 3 Stand-Alone Offerings

Overview

Why use Iron Cove Solutions for Dropbox deployments?

Iron Cove Solutions is a certified Dropbox partner in the migration and training of Dropbox for Business. Having completed its extensive on-boarding and migration training, we are uniquely staffed to handle the needs of moving easy to complex data structures.

As “Microsoft Silver Cloud” holders, we have completed more than 300 migrations to Office 365. When customers ask us for an alternative to OneDrive or SharePoint, we recommend Dropbox as a user-friendly cloud collaboration platform.

Cloud Engineer	Capabilities	Rate
Level 1	<ul style="list-style-type: none"> Administration Support Basic Migration Basic Training 	\$150 / hour
Level 2	<ul style="list-style-type: none"> Active directory Advance migration MFA / Okta 	\$175 / hour
Level 3	<ul style="list-style-type: none"> Active directory Multi-tenant Multi-forrest MFA / Okta 	\$225 / hour

Data migration is based on the total transfer volume of data call for quote

Stand-Alone Offerings

Data Migration Offerings

Our stand-alone data migration service can fit within your deployment plan. We can work with a variety of source targets, such as Box cloud storage accounts or Windows file servers. Package elements include:

- Folder structure advisory
- Active directory cleanup
- Data migration
- Migration validation

Enablement Offerings

Workflow/Process Design & Enablement

Planning and executing an adoption program to drive end-user awareness, education, and engagement via communications, training, and champion development.

Enterprise Training Package

Support your organization in transitioning day-to-day work to Dropbox by enabling admins to manage, help desk to support, and end users to use Dropbox Business.

Business Unit Training Package

Support one business unit in transitioning its day-to-day work to Dropbox by enabling admins to manage, help desk to support, and end users to use Dropbox Business.

Training

We can train groups of 5 to 25 people. We can film training classes and for you to stream in-house. Our ability to be flexible is your ability to meet your needs.
